PRE-PRIMARY-JANUARY-2026

Places Around Us

Our little explorers discovered their neighbourhood right on campus! By interacting with detailed cardboard models of a **masjid**, **clinic**, and **supermarket**, students built **spatial awareness**, enhanced **vocabulary**, and developed a foundational understanding of **community roles** through immersive and imaginative play.

Profession Day

On Profession Day, students at our Sindh Campuses stepped into the world of careers through classroom role-play. Dressed as **doctors**, **teachers**, **chefs**, **lawyers**, and more, they explored different professions and learned about the **roles and responsibilities** each one carries. This engaging activity sparked **imagination**, encouraged **social interaction**, and helped students gain a meaningful **understanding of the working world** in a fun way.

Pet Day

Our young animal enthusiasts had a delightful time celebrating Pet Day! Interacting with **friendly animals** on campus helped students build **empathy**, understand responsible **pet care**, and enhance their **sensory awareness** through safe and supervised experiences.

PRE-PRIMARY-JANUARY-2026

Seasons Activity – Learning Through Nature

Students explored seasons through an engaging activity, learning **season-related vocabulary**, understanding unique **characteristics of each season**, strengthening **observation skills** and developing an appreciation for **nature's changing patterns**.

Physical Activity Day

Activity Day in our pre-primary classes was filled with energy and excitement as students took part in fun sports such as **races**, **tug of war**, **spoon race**, **sack race**, etc. The activities promoted **physical development**, **teamwork**, and joyful participation in a lively and supportive environment.

Miscellaneous Activities | Sindh & Punjab Campuses
