

1 PHYSICS PRACTICAL – PRE 9th CLASS

Students of Pre 9th actively participated in a Physics practical session on **Calculation of Density** of Irregularly Shaped Objects (Displacement Method). Through hands-on experimentation, they measured mass and volume using laboratory apparatus and applied scientific concepts in a practical setting.

2 GEOGRAPHY LESSONS

Our primary students explored the provinces of Pakistan through an engaging classroom activity. They learned to recognise and name all provinces and identified them on a simple map of Pakistan, strengthening their basic geography skills in an interactive way.

ADMISSIONS OPEN

Pre-Primary to Secondary 2026-27

ENROL NOW Sindh: 0315-8661388 | Punjab: 0313-2626024

3 HANDS-ON COMPUTER LEARNING

Our grade VI students explored the physical components of a computer through an engaging hands-on learning session. The teacher opened a CPU and introduced key internal parts, including the motherboard, power supply, and connecting wires. Students observed with great interest as they learned how each component contributes to the functioning of a computer. Such practical learning experiences make science and technology both meaningful and enjoyable.

MEMON SOCIETY CAMPUS APRIL'S SUPER SPELLERS

Falak D/o Abu Bakar : Class IV
Umama Ghulam Fareed : Class V

4 SUPER SPELLERS OF THE MONTH

Celebrating excellence in spellings! This month, we are sharing our Super Spellers of the Month from Memon Society Campus. Students earned this badge by achieving a perfect 10/10 in every weekly dictation conducted throughout the month, reflecting their consistency and strong language skills.

4 TARBIYAH HIGHLIGHTS

Dear Parents,
During April, our Primary & Secondary students explored three meaningful **Tarbiyah themes** aimed at developing strong character and nurturing Islamic values in their daily lives:

1. The Virtues and Benefits of Salah
2. Virtues of Responding to the Adhan
3. Respect for Parents

Through engaging discussions and age-appropriate activities, our young learners were encouraged to understand, practice, and reflect these values in their everyday interactions.

نماز کے فضائل

ہفتہ وار تقسیم: 20 اپریل تا 24 اپریل 2026

والدین کا ادب و احترام

ہفتہ وار تقسیم: 27 اپریل تا 1 مئی 2026

اذان کا جواب دینے کے فضائل

ہفتہ وار تقسیم: 13 اپریل تا 17 اپریل 2026
